sulfate; 20 pounds of hydrated lime and 100 gallons of water. The foliage should be covered thoroughly.

Other Repellents

A second spray consists of seven teaspoonfuls of black leaf 155; three tablespoonfuls of arsenate of lead; four teaspoonfuls of sulphonated oil and one gallon of water. In large lots there should be six pounds of black leaf 155; six pounds of arsenate of lead; two quarts of sulphonated oil and 100 gallons of water.

It is pointed out the latter mixture must not be used on any mature edible plants such as lettuce or Swiss chard. It may be used on cabbage until the head begins to form. Do not use on beans since arsenate of lead may burn the foliage. For these plants substitute cryolite in the same proportion.

Simpler forms of repellents include two tablespoonfuls of powdered alum mixed with one quart of wheat flour to be used as a dust, and ordinary fine tobacco dust of the usual insecticide grade dusted thoroughly over the plants.

After a wedding trip through Maryland and Virginia the couple will reside temporarily at 155 South Washington street.

Receive 'Thank You' Cards From Czechs

Students at the High Street school and the York Springs elementary school today received thank you cards from schools in Czechoslovakia. The cards were sent to the county Red Cross for distribution to the schools and are in appreciation for gifts sent by the county school youngsters to the schools in Czechoslovakia.

The names of 50 students at the Kurimi elementary school are signed to the cards sent to the High Street school. The cards, inscribed "The Czechoslovakian Junior Red Cross thanks you for your generous help" show pictures of a Slovak boy, a Slovak girl, the city of Prague and President Thomas G. Masaryk.

The cards for the York Springs elementary school are from the Tisnove elementary school for boys, with 31 signatures and from the elementary school at Tisnove with 33 signatures.

To Buy Mt. Holly Park For Rallies

The Rev. Harry R. Lee, Goodyear, director of Rural Youth for Christ in this area, today announced that arrangements have been made for the purchase of Mt. Holly Springs park for the purpose of conducting youth conferences and rallies.

The 26-acre park was improved several years ago and was used last summer for Youth for Christ rallies. Young people from all over Central Pennsylvania gathered each Saturday evening last summer for programs by ministers and musicians. When the last rally was held last September an estimated 2,000 youths were in attendance.

The formal opening and dedication of the park is scheduled for Memorial Day.

Two Gettysburgians Given Promotions

for the company are to be shipped within the next ten days or two weeks. A bill for \$510 for 51 new helmets received by the company was ordered paid.

A donation of \$10 from St. Mark's church was received. The donation was given in appreciation of the fire company's efforts at a fire there.

An invitation to take part in a parade at Parkville June 14 was tabled. The company voted to purchase leather cases to carry the metal badges of the fire police at the suggestion of Fire Police Captain Charles W. Culp, Jr. The metal badges must be carried by the fire police at all times and cause much damage to clothing if not covered by some type of container. Culp pointed out.

Change Fire Drills

Fire Chief Aumen announced that in the future fire drills will be held on Wednesday evening instead of Thursday. The regular drill scheduled for today was cancelled. Drills will resume next Wednesday evening at 6:30 o'clock and be continued each Wednesday thereafter.

A list of rules and regulations governing the activities of the various members of the fire company were adopted and ordered published. The rules cover the duties of each appointed officer, such as the drivers, assistant drivers, nozzlemen, ladder-men, foremen and others.

Duties of Firemen

Among the duties listed for the fire police is the control of traffic at fires and the guarding of the property at a fire until the owner takes over after the blaze has been extinguished. The drivers, beside being responsible for driving the trucks are also responsible for determining that all firemen are fit to ride and that no one not a fireman boards the fire trucks either to or from a fire. The foreman is responsible for the condition of the apparatus, to see that it is in constant readiness to serve, among other duties.

Among the general rules adopted is that all firemen after a fire must return to the engine house whether riding on the engines or in private cars, to aid in putting away equipment and preparing for the next alarm.

Appoint Committees

Two committees were appointed to collect for the annual firemen's bazaar. George Burgner was named chairman of the solicitors in town who will include: John Bower, George March, John Fox, Francis Frew, Glenn Guise, S. F. "Pappy" Swope, William Shearer, Donald E. Staub and David McCullough. Richard Cole was named chairman for the solicitation in the rural areas around town. On his committee are Clarence Cluck, James Oyster, C. William Zhea, Cyril Staub and Daniel Wolf.

A \$15 donation in the form of an advertisement in the yearbook, being prepared by the county firemen's association, was voted.

The pallbearers were John Trent, Martin Stouter, Charles Spurlock, Cory Trent, Paul Trent and Daniel Cool.

Upper Communities

The regular monthly meeting of

the Biglerville town council was held Tuesday evening in the council room of the fire company. The resignation of Councilman G. W. Koser was received and accepted with regret. Freeman W. Weigle was appointed to complete Mr. Koser's term of office. It was announced by the council that a drive will be opened to stop blocking public alleys by the parking of vehicles, rubbish, etc. This drive has been necessitated by the many complaints received from town residents.

Mrs. Vincent Hawbecker and Mrs. Richard Fink, Biglerville, were visitors in Carlisle Wednesday.

George Baugher, Jr., Aspers, and Guinn Unger, son of Mr. and Mrs. Ernest Unger, Biglerville, both former servicemen, have been accepted as students at Gettysburg college for the fall term. Mr. Unger is attending Temple university, Philadelphia, this year.

Mrs. William Jennewine and son, Billy, and daughter, Jane, Arendtsville, have returned from a visit with Mrs. Jennewine's parents, Mr. and Mrs. Aubrey Smith, Richmond, Va.

Miss Ann Strong, Great Neck, Long Island, and Miss Elizabeth Warfield, Baltimore, returned to their homes today after a visit with Miss Pauline Stock, Bendersville.

A sound moving picture, "The Rich Young Ruler," will be shown at the Missionary meeting Sunday evening at 8 o'clock at Bethlehem Lutheran church, Bendersville.

130 AT CHURCH

(Continued from Page 1)
They hiked from Brandtsville to Overview, Pa. Brandtsville is above Dillsburg, and Overview is a high bluff above the Susquehanna river. The scouts have now covered the Appalachian Trail from the Susquehanna to the Potomac, a distance of 135 miles. The trips were made in five overnight hikes during the last several years.

All the scouts who have completed the distance from river to river will receive a medallion commemorating their accomplishment.

In addition to the 40 scouts on the trip, the following also went along: Alton C. Bowers, scoutmaster; Edgar A. Wolfe, assistant scoutmaster; Luther D. Snyder, committeeman; and James Wehler, junior assistant scoutmaster. The trips to starting point and from the end of the trail were made by bus. The overnight camp was made along the Conodoguinet creek, which runs through the Cumberland valley near Carlisle and Mechanicsburg. It was rather cold Saturday night, but the weather the rest of the time was fine all the way. The camping spot was ideal and beautiful, scouts said.

The scoutmaster held a Sunday school service on Sunday morning, on the trail, and stressed the fact that it was Mother's Day.

The camping equipment for overnight was brought up to the camp by Paul E. Hiltzbrick and Luther J. Hankey, using pickup trucks loaned by the Littlestown Canning company and Stanley B. Stover.

MALE CHORUS SINGS SUNDAY

The first public appearance of the male chorus from the six churches of the Mt. Holly Springs and Mt. Taber charges of the Evangelical United Brethren church will take place next Sunday evening at 8 o'clock, D.S.T., in the Mt. Zion Evangelical United Brethren church, near Mt. Holly Springs. In addition to the numbers to be sung by the chorus, a trumpet trio composed of Owen Gable, Charles Zeigler and George Gantz, all students of the Biglerville high school, will play several selections. Several readings will be given by Misses Etta Lutz and Marie Crusey of the Mt. Zion church.

The chorus was organized April 7 when the following officers were elected: President, Paul Flohr; vice president, Grant Ott; secretary, Paul Stitt; and treasurer, John Starner. The director is the Rev. Charles R. Miller, pastor of the Mt. Taber, Mt. Zion, and Clines churches on the Mt. Taber charge. The accompanist is Mrs. James Morehouse of Mt. Holly Springs. The Rev. Robert L. Lundy is pastor of the Mt. Holly Springs, Uriah and Ida-ville churches of the Mt. Holly Springs charge.

The members of the chorus are as follows: First tenor: Sylvester Bream, Sr., Glenn Flohr, John McCans, J. H. Sheffer, William Sheaffer, John Starner, and E. W. Wright; second tenor: Percy Blumberg, Arthur Bream, Glenn Kaufman, Arthur Crusey, George Fenile, Paul Flohr, Eugene Jacoby, Tillman Kapp, Cloyd Killinger, Rev. R. L. Lundy, and Paul Stitt; baritone: Lloyd Cline, Albert Derrick, Boyd Gleckner, Arthur Herr, Raymond Long, Theodore Grover, Grover Starner, and Jacob Walters; bass: Sylvester Bream, Jr., Clyde Herr, Paul C. Jones, and Grant Ott.

Snyder, Music; Mrs. Lloyd C. Keefeauver, Education, Radio and Motion Pictures; Mrs. R. S. Saby, International Relations; Mrs. Ralph Z. Oyler, Legislation; Mrs. Barr, Welfare, and Mrs. Mark K. Eckert, Parliamentarian. Mrs. Idle, Jr., Miss Ruth Koser and Mrs. Howard Hartzell were appointed pianists.

Mrs. Tyson presided over the business portion of the meeting beginning at 2 o'clock. Annual reports were given by Mrs. Barr, for the program committee; Mrs. Frederic Griest, for ways and means; Mrs. Coleman, hostess; Mrs. Derek, for the music committee; Mrs. Hartshorne, for membership; Mrs. Ziegler, treasurer, and Mrs. Kramer for finance and welfare committees. Mrs. J. Ellis Musselman and Miss Bess Hoke reported as auditors.

Mrs. Scharf, who returned recently from a convention of the Pennsylvania Federated Women's Clubs at Buck Hill Falls, reported briefly on the part Adams county has taken in the Relief-for-Greek children. Adams county, with its two federated clubs, the Littlestown Community club and the Gettysburg club, donated \$26.40 to this project. Mrs. Scharf said that that amount would feed a dozen Greek children for one year.

Present Program

The program included a review of Conrad Richter's book, "Always Young and Fair," by Miss Katharine Devers, York, who was introduced by Mrs. J. P. Rhoads, chairman of literature. Mrs. Derek, chairman of the music department, introduced Mrs. Idle, Jr., and Mrs. Hunt who presented the four movements of Haydn's "Symphony in G," known as the "Surprise Symphony," as a piano duet.

Mrs. Kramer presented to the retiring president, Mrs. Tyson, a gift from the club in appreciation for her services.

A social hour followed with Mrs. Tyson and Mrs. Scharf presiding at the tea table.

Mrs. Edgar A. Crouse was chairman of hostesses and was assisted by Mrs. Ralph D. Heim, Mrs. John D. Teeter, Mrs. Raymond Topper, Miss George Zerfing and Mrs. John P. Rhoads.

The final meeting of the club year will be held on Wednesday afternoon, May 28, with the program in charge of the Fine Arts Department. A musicale is being planned by the music committee. Mrs. Elmer W. Warren will serve as chairman of hostesses.

PIAA SUSPENDS ALLENTOWN HI FOR TWO YEARS

Tamaqua, Pa., May 15 (AP)—Allentown high school's mighty Canaries have been suspended from competition with all Pennsylvania interscholastic athletic association schools in all sports for two years and their twice-won state PIAA basketball title revoked.

The PIAA District 11 committee unanimously resolved that Allentown had violated the PIAA eligibility rule under article 8, section 1-A of the association's constitution and by-laws.

The resolution read:
1. Allentown was suspended from interscholastic sports for two years, effective yesterday.

2. The school is denied the right to participate for any championship honors in all sports for a period of three years, effective yesterday.

3. All contests in which players accused of being ineligible during the school years of 1945-46 and 1946-47 are forfeited.

4. All championships won by Allentown within district 11 in which players accused of being ineligible during the school years of 1945-46 and 1946-47 are vacated.

Charges "Prejudiced"

Provision was made that at the end of the first full year of suspension Allentown can petition District 11's Committee for Reinstatement "providing that the principal of the Allentown high school will furnish evidence satisfactory to the district committee that the school will conduct its interscholastic athletic program in complete accord with all the provisions of the PIAA Constitution and By-Laws."

The resolution adopted last night brought from Attorney Robert Haas, president of the Allentown school board, a charge District Committee Chairman R. B. Stapleton had prejudiced the case before the meeting.

The committee previously had approved eligibility of the players, Haas said.

Whether or not Allentown could appeal brought conflicting reports. After the meeting here it was reported Allentown authorities were informed they had the permission of the District 11 committee to appeal to the state Board of Control of the PIAA.

At Allentown, however, Haas said: "We were also informed at the official meeting by the chairman that there was no right to appeal from its decisions."

The committee reported the suspension and additional penalties were based on findings that:

Name Violators

"From evidence in official school publications that in 1945-46 the Allentown high school permitted Raymond Dini, Raymond Ranelia, Frank Pfeiffer and Joseph Skurla to represent them in PIAA sports "during either their ninth or their tenth and tenth semesters of attendance beyond the eighth grade" in violation of PIAA rules.

During the 1946-47 school year Allentown permitted William Wanish, William E. Jackson, Ernest Abraham, Chester Geriula, Robert Wiebel and Robert Kurtz to compete while some were in their ninth and some in ninth and tenth semesters beyond the eighth grade.

The report added Walter Schmidt, Albert Cassium, Edward Hushkek, Charles Marsh, George Pedok and Thomas Jackson were now in their sixth semester beyond the eighth grade instead of their fourth as reported on Allentown's official eligibility list.

Haas said the committee told him the evidence on which it based its action was submitted by Bethlehem school officials but no protest had been filed. He added Bethlehem was not in good standing with the PIAA "since it has not yet paid a fine previously imposed by the PIAA."

College Golf Team Wins Fifth Match

Gettysburg college's golf team scored its fifth victory in eight matches when it defeated the Franklin & Marshall college linksmen, 7 to 2, on the rain-swept Caledonia golf course Wednesday.

Don Carrington, Gettysburg No. 4 man, shot a par 34 on the back nine in a driving rain. Gettysburg's No. 1 man, Bob Middleton, defeated Bill Haines, 1 and 0, in the afternoon's closest match.

Joe Corte won the only singles match for the F. & M. team when he defeated Tom Wallace, while Corte and Haines combined for the best ball to give the visitors two points.

HOMER IN 7TH TRIPS BULLETS

It looked as though the Gettysburg college team had chalked up another victory when rain interrupted its game with Franklin and Marshall college in the seventh inning here Wednesday afternoon but the elements relented and after a 55-minute delay the game was resumed much to the dismay of the Bullets. Gettysburg led 4-3 when the rain came.

The Diplomats won the decision 7-4, a homerun by Sweeney with two runners aboard providing the margin shortly after the contest was resumed in the top half of the seventh.

The Plankmen got off to a fast start in the first inning. After two were out Joe Cervino singled and Kirker walked. Wileman smashed a triple to left center to score both runners, scoring later himself when Lockhard missed Novak's grounder.

P. and M. tied the score with single runs in the second, third and fourth innings. In the last of the fourth Gettysburg broke the deadlock on Martz' single, a fielder's choice on Tony Cervino's grounder, and a triple by Ken Houtz.

After Lockhard had walked and Potteiger had reached base on an error to open the seventh inning the game was halted by rain. After nearly an hour's delay play was resumed. Versaw beat out a bunt to third base but Lockhard was tagged out at third by Brown when he over-slid the bag. Both runners advanced as Weitzel grounded to Wileman. Sweeney hit safely to left and the ball rolled over the driveway to enable him to circle the bases easily. The visitors added an unnecessary run in the ninth.

On Saturday the Bullets meet Dickinson at Carlisle.

HUTCHINSON NIPS SENATORS FOR FIFTH WIN

By JOE REICHLER

(Associated Press Sports Writer)
It took him a long time—nine years to be exact—but fearless Freddie Hutchinson, the picture pitcher, finally is beginning to look like the great hurler he was supposed to be when the Detroit Tigers handed over \$75,000 for his signature in 1938.

Heralded as another schoolboy Rowe, Hutchinson suddenly lost his stuff and won only three games for the Tigers. He divided that season and the next between Detroit and Buffalo in the International league.

But the war came along. Freddie played lots of baseball under Mickey Cochran and Bobby Feller in the Navy and came back last year to have a fairly good season winning 14 and losing 11.

Wins Fifth Game

At the start of this season Manager Steve O'Neill rated him fourth on the staff to the great Hal Newhouser, Dizzy Trout and Virgil Trucks, but today the serious-minded son of Seattle rates right on top of his performances.

Hutch won his fifth successive game last night after losing his first start of the season, defeating the Washington Senators at the capital 3-2. No pitcher in the American league has won as many.

The Tigers broke a 2-2 tie in the ninth by pushing over the deciding run. Eddie Lake walked and raced to third on George Kell's single. He scored as Roy Cullenbine forced Kell.

The triumph enabled the Tigers to retain their one-game margin over the Boston Red Sox who won their eighth game in their last nine starts as Joe Dobson limited the Chicago White Sox to eight hits for a 5-1 triumph. The loss was the first of the season for Orval Grove of Chicago.

Helps Sink Dodgers
Blasting Murry Dickson and Ken Burkhardt for six runs in the third inning, the New York Giants made it five straight victories over the St. Louis Cardinals by whipping the Redbirds at Sportsman's park 6-4. Triples by Willard Marshall and Walker Cooper led the attack which gave Rookie Larry Jansen his second straight win. Ron Northey hammered his fourth homer for the Cards.

Tom Tatum, purchased only Tuesday by Cincinnati from Brooklyn, helped sink his old Dodger mates for the second straight day by lashing a home run as the Reds downed the Dodgers 2-0. Ewell Blackwell, last year's shutout leader in the National league, pitched his first whitewash job of the season for his fourth triumph. Tatum singled in two runs in Tuesday's 7-5 win over Brooklyn.

All other scheduled games in the majors were postponed by rain and wet ground.

BRITISH PRO REFUSES MATCH

By BILL MACKLIN

St. Andrew's, Scotland, May 16 (AP)—Henry Cotton, Great Britain's leading professional golfer, is going all out to help his country's Walker cup team—but he isn't passing out any favors to the American challengers.

Frank Stranahan recently asked the British money player, who has been working out for more than a week with his own countrymen, if he would give him a match this week. Cotton told the American amateur he would like to play but couldn't arrange a match until the end of next week, just before the British amateur championships at Carnoustie.

"Henry isn't afraid of your bloke," explained a Scotsman, "but he isn't showing Stranahan anything about St. Andrews that might help him in the Walker cup matches Friday and Saturday."

Cotton gave up competing in a pro tournament last week to free himself for helping his countrymen here.

Play Starts May 26th
Francis Ouimet, non-playing captain of the American, discontinued formal practice Wed. and sent his charges on the links to play for fun—or rest, if anyone wished to do so. Eighteen Americans, including

the entire Walker cup team, and six former champions will compete among the 216 entries announced for the British amateur golf championship to be played the last week in May at Carnoustie, Scotland.

Ted Bishop, U. S. amateur champion, will be first off the tee, against A. C. Gibson of Britain, at 2 p. m. (EST) Monday, May 26. Moupiet will be another of the Americans firing for the crown vacated by Jimmy "The Bear" Bruen.

Today's Talk
RENEW THYSELF!

I once read of a Chinese king who had engraved upon his bathing tub these words: "Renew thyself completely each day; do it again, and again, and forever again!" A very good motto to have engraved upon every one of our bathing tubs.

Every single new day should be a revelation to us — a renewal that should so thrill us that we would enter that day with zest and with steam set for a straight road ahead. As the boy I used to bounce out of bed, thrilled to be given another day. No longer do I bounce with the same unconquerable energy, but with the same purpose, and with the same thrill — for what can compare to this gift of still another day?

Every sunrise is a doxology and every sunset a requiem to the dying day. Renew thyself with each new day, and review each act and thought at its close. Appraise and take stock of all that has transpired, and seek the peace of rest and sleep in a prayer of thanksgiving. Do but this and no sleeping pills will be necessary. You will awake renewed in body and spirit.

All of us carry too much equipment into each new day. The call at every daybreak should be to simplify, simplify. The clean desk, meeting the clear eye and mind, is what gives to each day its greatest inspiration.

Renew thyself — without fear. Face the sunlight with confidence and an abiding faith. Expect the better things and revel in the anticipation of good news. Faith is the master bridge builder, with every essential bridge already built in advance — if it becomes necessary to cross it. Anyway no bridge can be crossed until you get to it!

Renew thyself in Nature's realm. Here there is exemplified courage under stress and storm, and natural procedures that give to us new lessons in hope, picturing events far more thrilling and important than most of the acts of men who worry their lives away under wasteful circumstances. There is a divinity in Nature unknown, or even dreamed of, in the market place.

"Renew thyself completely each day; do it again, and again, and forever again!"

Tomorrow Mr. Adams will talk on the subject: "The Tree-Benefactor."

SOUTH CAROLINA TRYING 31 FOR LYNCHING NEGRO

By ROMNEY WHEELER
Greenville, S. C., May 15 (AP)—The state of South Carolina called up as evidence today the purported sworn statement of the man allegedly identified by four fellow defendants as the shotgun executioner of a negro lynched February 17 by a mob of Greenville taxi drivers.

The statement is that allegedly signed by Roosevelt Carlos Hurd, Sr., 45-year-old cab dispatcher, who is one of 31 defendants in a mass murder trial growing out of the slaying of Willie Earle.

The prosecution yesterday offered seven purported statements by persons who implicated themselves in the lynching. Four of these statements named Hurd as the ringleader who stood over the writhing, bleeding negro and fired three shotgun blasts into his head.

The young negro, who had been arrested and accused of fatally stabbing a white taxi driver, was found at dawn, February 17, in a lonely roadside ditch.

Before the shotgun blast ended his life, the prosecution says, he was brutally beaten with fists and gun butts, and was savagely slashed with knives until chunks of flesh were gouged from his body. He had been taken earlier from the Pickens county jail by a mob.

The seven purported statements were read to the jury yesterday, over defense objections, relating the sordid story of the lynching. Varying only in detail, they told how a mob of taxi men went to Pickens, S. C., after midnight February 17, determined to lynch the negro suspect in reprisal for the stabbing of T. W. Brown, 48-year-old Greenville cab driver.

Strip Mining Law Ready For Action

Harrisburg, May 15 (AP)—The administration's proposed strip mining law for the anthracite region is ready for presentation to the legislature, Rep. Harold E. Flack (R-Luzerne) disclosed today.

Incorporating many features of the 1945 bituminous strip mining act, the legislation was said by Flack to have the "unqualified support" of Gov. James H. Duff.

The only major point of difference in the new bill from the soft coal law is a provision requiring "practically complete" backfilling of excavations opened by strip mine operations, said a source in the state mines department. This was necessary, he said, because anthracite stripminings are "much deeper" than those in the bituminous fields.

Reading, Pa., May 15 (AP)—Glenn Cunningham, 37-year-old former mile run star, was injured slightly in a two-car collision on the Reading-Allentown highway en route to speak at a sports banquet at Reading Catholic high school last night. He was treated for face and head injuries.

SAYS GOP ASKS DEFEAT OF U.S. SCHOOL AID BILL

By DOUGLAS B. CORNELL
Washington, May 15 (AP)—The House Republican leadership was reported today to have issued orders to the labor committee to kill a bill which would give states \$300,000,000 a year in federal aid for schools.

A high-ranking party member who does not want his name used to report the orders was said to have carried out because of GOP pledges to hold down government spending.

Majority Leader Halleck of Indiana, asked about the report, said "there has been no determination on the matter."

Favorable Hearings
A subcommittee still is holding hearings on the bill, he said, and they are "not just a gesture." But he also said: "Of course, we are not exactly hunting ways to spend more money. And many states have done a lot in the last year for their schools and teachers."

Rep. McCowen (R-Ohio), who introduced the federal aid bill, heads the subcommittee which has been holding hearings on it for weeks. Most of the long list of witnesses, including many teachers, have favored the measure.

It calls for spending \$200,000,000 in the year ending June 30, 1948, \$250,000,000 in the next year, and \$300,000,000 annually after that.

No Strings
McCowen says the bill would make it possible for each state to get enough federal money, to add to state and local school funds, to spend at least \$40 a year for each student in public and secondary schools.

In general, southern states would get the most help. Richer states would get at least \$3 per pupil—even those already spending \$40 or more. No strings would be attached to the government gifts. States could spend them as they do their own school money.

Ordination of the Rev. E. H. Jones: With the Carlisle Presbytery and the congregation assisting, the Rev. Edward H. Jones, of Los Angeles, Calif., was installed Sunday evening as pastor of the First Presbyterian church here.

The Rev. Raymond H. Wilson, of Duncannon, presided. Rev. Dr. Ethelbert D. Warfield, of Chambersburg, assisted in the services.

The principal address of the evening was that of the Rev. Dr. J. Gresham Machen, of Princeton's theological seminary.

Leading Pastors to Fill Pulpit of Christ Church: Upon recommendation of the church council, the congregation of Christ Lutheran church at a special meeting Wednesday evening, voted to adopt the so-called "university system" of inviting prominent ministers to fill the pulpit during the months Gettysburg college is open.

The Rev. Dr. A. E. Wagner, pastor of Christ Lutheran church nearly 15 years, shall continue to occupy the pulpit when no provision is made for an invited minister to speak, to conduct the services of the congregation and to perform his other pastoral duties as at present, under the provisions of a resolution adopted by the meeting.

Four Bank Directors Added to Board: The maximum number of directors of the First National bank was increased from 11 to 15 by a unanimous vote of the stockholders of the bank on Tuesday morning. The new directors, elected after the vote had been taken, were J. Elmer Musselman, David Blocher, John D. Keith and W. C. Sheely. C. W. Cook was elected director at a previous meeting. Other members of the board are: Dr. J. McCrea Dickson, W. G. Durbin, M. C. Jones, M. E. Knouse, Frank R. Peckman, H. E. Riddlemoser, Arthur H. Reaser, S. G. Spangler, E. W. Thomas and E. C. Tyson.

Weaver—Slade: Miss Dorothy Ann Weaver, daughter of Mr. and Mrs. William F. Weaver, 63 West Middle street, became the bride of Joseph E. Slade, of Baltimore, Tuesday morning at a nuptial mass celebrated at St. Francis Xavier Catholic church, by the Rev. Mark Stock. Miss Madeline Burke, of Lancaster, was maid of honor and S. Chester Slade was best man.

The bridegroom is superintendent of the Adams County Produce company at Biglerville. The couple will reside in Gettysburg.

Aggie and Rink Champs Honored at Rotary Meet: Dr. Henry W. A. Hanson was the speaker at the Patrons' and Sons' luncheon of the Rotary club at the Hoffman hotel Monday evening.

Ray Rupp, chairman of the boys' work committee, presented Harold Sharp, junior marble champion, with a baseball glove. A silver trophy, which was to have been given Crawford Trostle, senior winner of the marble contest, did not arrive in time for the meeting.

The luncheon was attended by 80 fathers and sons.

The boys' contests were sponsored by the Gettysburg college YMCA.

BEST AND WORST WAY
So easy to answer: "I'm busy!"
So easy to say: "When I've time!"

But they will go wondering: "Is he?" and the clock will continue to chime.

At calls when your courage is needed, with always a shake of the head,
So easy to leave them unheeded, and offer excuses instead.

But they who are thoughtful and willing the minutes seem able to find
The need for good deeds to be filling, and always the time to be kind.

No matter how many their labors, if good be the service men ask,
They'll share in the cause of their neighbors and happily go to the task.

For this is the way of the best men, whatever their profession or trade:
They never are "seekers-of-rest" men. They're never too busy to aid.

Excuses the "would-if-I-could" men have always been easy to find.
But, somehow, the brave and the good men find strength and the time to be kind.

How To Get Confession

Two Greenville business men were involved as spectators of the lynching, although they had no part in planning it, according to the statements read before the court. Listed in the indictment as John B. Marchant, 28, and Earl Martin, 28, both members of prominent families, they are on trial for their lives with the others.

The alleged statement by 31-year-old Marvin H. Fleming told how Ernest Stokes, 35, former deputy sheriff, bragged that he knew "how to get a confession from a negro," and that Stokes later acted as chief inquisitor when Earle was taken to a lonely roadside and accused of the fatal stabbing.

In a statement attributed to Charles Maurice Covington, 20, another driver, the negro is quoted as

Aggie and Rink Champs Honored at Rotary Meet: Dr. Henry W. A. Hanson was the speaker at the Patrons' and Sons' luncheon of the Rotary club at the Hoffman hotel Monday evening.

Ray Rupp, chairman of the boys' work committee, presented Harold Sharp, junior marble champion, with a baseball glove. A silver trophy, which was to have been given Crawford Trostle, senior winner of the marble contest, did not arrive in time for the meeting.

The luncheon was attended by 80 fathers and sons.

The boys' contests were sponsored by the Gettysburg college YMCA.

Fail to Discover Trace of Fliers Lost in Atlantic: (By the Associated Press)—The sea and land gave back no answer today to the incessant calls for word of the missing airmen, Captains Nungesser and Goll.

The radio corporation, the independent wireless and the navy swept the wide Atlantic with radio queries and met a wall of silence.

The White Bird was 50 anxious hours overdue at New York today on her flight from Paris and was last seen heading northwest from Ireland Sunday morning.

ASK MYERS TO

(Continued from Page 1)

M. Hunt, pastor of the Presbyterian church, will pronounce the benediction.

The Gettysburg high school band will play while school children strew flowers on the graves in the cemetery, and bands will play a dirge entering the cemetery. Donald P. McPherson, Jr., will read Lincoln's Gettysburg Address.

According to information received by the committee, the army will send two companies of military police here, with a band, and it is further planned to have a battery of artillery the Valley Forge Military Academy band, and an escort of mounted state police.

Lawrence M. Sheads and Harry E. Koch, members of the local committee, will meet Monday with Governor Duff and Adjutant General Weber to complete details of the state's part in the program.

Mounted Escort
Mr. Sheads and Mr. Koch reported Wednesday night that the state has tentatively agreed to provide the mounted escort for the President and Governor and approximately 40 state policemen to patrol the cemetery, to have the Valley Forge band here, and to pay for the erection and decoration of a temporary stand to be placed in front of the present rostrum in the cemetery.

Mr. Sheads reported that there is no governor's troop, and that the new National Guard will not be activated until June 14. An attempt will be made, however, to have such units as are available come here to join with the members of the local National Guard in the parade and ceremonies.

Restrict Rostrum Seats
Admission to the rostrum will be by ticket only. A considerable number of applications have already been received, one coming from Miss Emily B. Warren, Newport, R. I., a daughter of General George K. Warren, whose statue stands on Little Round Top.

LeRoy H. Winebrenner will be grand marshal of the parade, which will include the high school band, Blue and Gray band, the new drum corps of Albert J. Lentz Post No. 202, American Legion, several other musical organizations, school children, Boy and Girl Scouts, Junior Police club, and the Legion, Veterans of Foreign Wars, Sons of Union Veterans, United Spanish War Veterans, and others.

Another meeting of the Memorial Day committee will be held Monday evening, May 19, at 7:30 p. m. in Mr. Meals' office. Plans were also made for the SUV memorial services to be held at 2 o'clock Sunday afternoon, May 25, in the post rooms on East Middle street.

MUCH BUILDING

(Continued from Page 1)

being torn down to make way for the new building, which will cost in the neighborhood of \$20,000.

R. S. Noonan has started construction on seven of the ten houses for which he has permits on the new street west of Steinwehr avenue. The houses are to be brick enclosed.

Ralph Barley has started work on a \$14,600 brick residence on Harrisburg street. C. W. Riffe is building a \$7,000 house on Ridge avenue.

James A. Knox has completed a \$5,000 concrete block addition to his Prosperity dry cleaning establishment on West Railroad street.

J. Donald Dillon has the foundation completed for the brick and concrete block dwelling he is planning on Hanover street, and George D. Rosensteel is completing a \$1,500 brick and frame addition to his house near the National museum.

Other Building
Merle Hankey, 201 South Washington street, and Richard Duttera, Water street, have secured permits to build concrete block garages at their premises. Ralph W. Sittler, 203 Hanover street, enclosed a back porch and Gettysburg college built a concrete block coal bin at its heating plant.

Ten other town residents are con-

templating repairs and renovations of their houses varying in cost from \$50 to \$500.

On York street, near the edge of the borough, Glenn C. Bream is constructing a large steel frame, metal-

covered garage for use at his used car lot.

At the Legion home, Baltimore street, in the process of remodeling, the former Stoner property is being torn down in preparation for rebuilding.

EXPECT TEST IN HIGH COURT ON PORTAL PAY BILL

By JAMES MARLOW
Washington, May 15 (AP)—The Supreme Court may have to decide whether the new anti-portal pay law is constitutional. So, since you may hear more about the law and portal pay, here's an ABC on it.

Portal pay means, roughly, this: Pay claimed by a worker for time spent inside a plant going to and from his job, or, time spent inside a plant getting ready for work—like sharpening tools or warming up a machine—before he actually starts producing.

In the past year unions, almost all of them CIO, filed suits for back portal pay amounting to about \$6,000,000. When many businessmen protested the suits would ruin them, Congress started to whip up a law to stop such claims.

Suits On Ice
Until they could see the outcome of this attempt at an anti-portal pay law, the unions left their suits on ice in courts all over. They knew there was always the chance President Truman might veto such an act of Congress.

In that case they could take their cases off ice and push ahead with them. But yesterday Mr. Truman signed the act into law. It kills, or is intended to kill, almost all of the \$6,000,000 in pending suits. And it stiffly limits future portal pay suits.

A CIO attorney was asked: What now? In brief, he said:
Most of the pending suits undoubtedly will be dropped by the unions. But some may think they have cases that can be pushed. If so, then one of them may reach the Supreme Court, perhaps in two years, for a decision on whether this law is unconstitutional.

If the court held it unconstitutional, what then? Would some of the old, killed suits be revived? Would Congress pass a new law? You guess.

New Law's Features
These are the main features of the new law:
1. It outlaws almost all pending suits. The exception: Where work was covered by contract or industry practice. For example: Jones was supposed to start his machine at 8 a. m. He always got in at 7:45 a. m. and warmed it up 15 minutes before putting it to work. Under the new law Jones can't sue for back pay for those extra 15 minutes unless—his contract says he should be paid for them or other companies in the same industry customarily paid for such extra time.
2. The same goes for future portal pay suits. They can't be filed unless the pay claimed is for time covered by a contract or industry practice.
3. Suits for back portal pay must be filed within two years after the work was done. Some of the \$6,000,000 in pending suits, filed in the past year, are for pay dating back to 1938.
4. In future suits a union can't sue a boss for back portal pay for his workers. The suits must be filed by the workers themselves, not the union.

MARKETING with Marjorie

One of my pet theories is that more families would eat better breakfasts if we homemakers would get more variety into our morning menus. So how about serving a different kind of fruit or cereal, or eggs fixed a new way tomorrow morning? Bet your family will sit up and take notice... and "seconds"!

CEREAL STARS
Some like them hot and some like them cold, but I find that everybody at my house likes delicious SUNNYFIELD CEREALS. That's okay with me because they're mighty nourishing and thrifty. Versatile, too... as you'll see from the package recipes. Try them! You'll find many varieties at your A&P!

THE EGG AND YOU
If you can answer these questions correctly you're an "eggspert"!
Q. Are white eggs or brown eggs better?
A. Shell color has no bearing on quality. The breed of chicken determines the color.
Q. Should eggs be washed before you store them?
A. No. Water destroys the film that keeps out air and odors.
Q. Why are A&P EGGS always so good?
A. Because they're selected and inspected by experts and kept at the proper temperature to safeguard their high quality.

BRIGHT BEGINNER
Syrups from canned fruits are rich in healthful vitamins and minerals, but I couldn't get my family to drink them till I hit on the idea of combining them with tangy A&P GRAPEFRUIT JUICE. It adds the extra zip these sweet syrups need... and extra vitamin C as well. I always keep a few cans of this refreshing grapefruit juice in my refrigerator, along with a jar into which I pour all left-over fruit syrups.

THIS TAKES THE CAKE
Looking for a dessert that's super-simple to make and simply super to eat? Then here's the recipe for you: Cook together 1 cup of diced rhubarb, 1/4 cup of sugar and 2 tbsps. of water till rhubarb is tender. Add 1 cup of your favorite berries, cook 1 minute and then pour over 4 slices of toasted JANE PARKER POUND CAKE... that wonderfully fresh, fine-textured cake that comes from the A&P and tastes as if it had just come from your own oven!

Duff Calls Teacher Salary Bill 'Thoroughly Impractical;' Hits 'Hijacking'

ASKS PRACTICAL WAY TO FINANCE RAISE IN PAY

Harrisburg, May 15 (AP)—Gov. James H. Duff says a proposed state-wide mandated minimum salary of \$2,400 a year for school teachers—a \$1,000 boost—is "thoroughly impractical."

Hitting at "any endeavor of hijack funds from other sources," the Governor reiterated that the "fair way" of meeting the school problem is "by increasing mandated salary schedules and subsidies" out of \$27,000,000 provided in his budget for that purpose and enlarge the local tax base to permit further increases local districts desire.

That would permit at least a minimum of \$1,800 a year for third and fourth class districts instead of the present \$1,400, one administration source estimated, and higher base pay for teachers in bigger districts.

Spotlights Part of Picture
"I want to help the teachers," Duff said in a lengthy statement on the controversial teacher pay issue yesterday but "the problem is how to do it in a practical way."

Taking up the legislation approved by the House Education committee and co-sponsored by its chairman, D. Raymond Sollenberger (R-Blair), Duff said that bill "seeks to spotlight the entire attention of the teacher's salary problem about it."

That measure, at the debating stage in the House today, would cost the commonwealth at least \$38,000,000 more for education in the next two years than was appropriated by the 1945 legislature, its supporters estimate. That is \$40,000,000 more than provided in the budget.

Duff's Plan
In addition, Governor Duff said the proposal "imposes a tax burden on local communities of at least \$36,000,000 for the coming biennium."

"This has not been explained to the public," he added. "Furthermore, no means are provided in this bill to make that fund available from the local communities. Apart from all other considerations, this deficiency alone in the bill would make it impractical and ineffective."

East Berlin

Town water is being installed at the southeastern end of the borough to supply the houses occupied by Mr. and Mrs. Frank Kothie and the Harry L. Taylor family.

HAPPY ENDING

Welborn, Kas. (AP)—Hearing that Glenn Masterson, 11, had fallen in a pond, 20 Welborn volunteer firemen sped to his father's farm yesterday with a rescuer.

The pond, nine feet deep, balked efforts at rescue by wading, so the men feverishly tore a break in the dam with crowbars, spades and rails to drain the pond.

As the water flowed out, Glenn came trudging down a road.

"Gee," he exclaimed, "you're looking for me?"

LABOR'S POWER IN CONGRESS AT LOW EBB TODAY

By JACK BELL

Washington, May 15 (AP)—Organized labor's influence with Congress stands at its lowest point in more than a decade today.

There are strong indications that stern curbs on union activity may be written into law even over a possible presidential veto.

The 68 to 24 vote by which the Senate yesterday approved its bill providing for extensive regulation of organized labor's activities almost exactly matched the percentage by which the House on April 17 voted a much more stringent measure.

Sharp Decline
In the House, opponents cast 25.8

per cent of the 308 to 107 vote. In the Senate, they registered 26 per cent.

This core of support, representing only about one fourth of the membership of the two Houses, marks a sharp decline from the days when unions could stop in one House or the other almost any legislation they regarded as punitive.

Falling in that, they could muster the needed support to sustain a veto. This was demonstrated when the House failed 11 months ago to override President Truman's veto of the Case labor disputes bill. On that 255 to 135 tally, union sup-

porters mustered several more than the one-third-plus-one of the votes they needed.

Still Seek Compromise

The prospect that this year's expanded version of the Case bill finally will find its way into the law books was enhanced—but by no means assured—in the Senate's vote yesterday.

In the first place, a Senate-House conference committee must work out a compromise version. If it follows the tough form that many House members would like, leaders unquestionably will be able to force its acceptance by both houses. But

Vote Separation Church And State

Pittsburgh, May 15 (AP)—The Pittsburgh Presbytery of the Presbyterian church has adopted a resolution opposing federal or state aid to non-public schools and calling for withdrawal of the U. S. Representative to the Vatican.

The Presbytery, which has 74,000 members, went on record as "re-affirming our strong conviction in the principle of separation of church and state as guaranteed in the first amendment of the constitution."

Columbus in 1492 described sweet potatoes he found in the western hemisphere as resembling carrots "with a savor of chestnuts."

Mr. Truman has kept his own counsel about what he intends to do.

But if he vetoes the measure he finally receives, capitol hill undoubtedly will witness the most intensive campaign in years by organized labor and administration leaders to get the veto sustained. It requires two-thirds approval of those voting in each house to override.

Open Meetings Bill Reaches Senate Vote

Harrisburg, May 15 (AP)—Legislation to require local governing bodies to transact official business at open meetings comes up for a vote in the Senate today.

The House-passed measure would

SCOUT COURT OF HONOR IS HELD MONDAY

Approximately 100 Boy Scouts, their parents and friends attended a special advancement Court of Honor, held Monday evening in the Emmitsburg high school.

The following program was carried out, under the direction of the District Advancement committee, Niemann A. Brunk, chairman:

Salute to the flag, led by First Class Scout George Greco; address of welcome by Dr. Dillon, a member of the staff of Mount Saint Mary's college, and chairman of the Emmitsburg troop committee; Assistant Scoutmaster Raymond A. Wood, a pre-medical student at the college, led the group in two Scout songs. Members of the Flaming Arrow patrol gave a skit called "Hot News."

A Tenderfoot investiture ceremony was dramatized by Assistant Scoutmaster McNack and a group of scouts, followed by the awarding of Second and First Class ranks to the following scouts: Second Class, Charles Myers, Kenneth Luhn, Edward Smith, David Hemler, Lewis Corl, Frank Stinson and Allen Stoner; First Class, Alfred Shockley and Robert Jordan. These awards were made by Richard D. Hammond, Scoutmaster of Troop 18, Frederick.

Ten Air Scout candidate awards were made by Staff Sgt. Donald Lipsi, USMC. Lipsi is assistant scoutmaster of the Emmitsburg Troop. Several American Red Cross swimming awards were given by Assistant Scoutmaster Frank Gardner, who is in charge of waterfront activities at Mt. Saint Mary's college. Thornton Rodgers, the newly elected mayor of Emmitsburg, then presented several scout service pins to

be followed by the presentation of two troop point system awards made by Assistant Scoutmaster Anthony Pollaco. A skit entitled "The Mighty Rajah" followed and was dramatized by members of the Eagle patrol.

Rev. Wm. C. Royal, holder of the Silver Beaver award, and a member of the National Capital Area Council executive board, presented the following scouts with their Star Scout badges: Philip Kennedy, James Kennedy, Austin Hartsock, Charles Ross IV, William Sterbinski, George Greco and Donald Rodgers.

The highest award of the court was made to Scout Richard Dutrow, senior patrol leader of Troop 266, Frederick. Richard received the award of Life Scout, which is the next rank to Eagle, the highest award in scouting. The award was made by Rev. Mr. Royal.

Get Merit Badges

Qualifying for merit badges were: Franklin Nickerson, Thurble Markoe, Bernard Rice, Thomas Partridge, Duval Dutrow, Rodgers T. Smith, Charles Ross IV, David Shinnick, Charles Myers, Joseph Uner, William Sterbinski, George Greco and Donald Rodgers.

Field Executive Jack Shorow spoke briefly concerning the values of scouting to the American boy, followed by the closing ceremony by Scouts Donald Rodgers, William Sterbinski and David Himler.

Accompanying the large group of scouts from Frederick were: Mr. and Mrs. Richard Kline, Mr. and Mrs. Richard Dutrow and Miss Dutrow, Colgate Brish, A. Norman Dietz and son, Ray, Harold Essig, Niemann A. Brunk, Richard D. Hammond, F. Russell Young, Mr. and Mrs. Charles Rumpf, Rev. Mr. Royal and Jack Shorow.

TO TAKE EXAM

John Fuss, a student at Emmitsburg high school, will take the competitive examination for a state scholarship to Western Maryland college to be held at Frederick Saturday, May 24.

Frederick County News

New School Head: George C. Rhoderick, Jr., Middletown publisher, is the new president of the Frederick county board of Education. He succeeds Claude U. Stottliemyer of near Wolfsville, and is a former president of the board. The new vice president is Mrs. Kent C. Nicodemus, who succeeds Mrs. John N. Howie of Brunswick. Mrs. N. is from Walkersville. Wonder if this board will bring up the question of Emmitsburg's high school which caused such a stir a year ago when there was some thought that the Emmitsburg school might go to Thurmont. With the closing of the Fairfield high school this fall, Emmitsburg may pick up a few more students for its high school. While on the subject of school—the Emmitsburg high school graduates June 13, a day after Thurmont has its closing exercises.

Odds and Ends: City Attorney Richard E. Zimmerman of Frederick is recommending to the Frederick authorities that the town outlaw the sale of cats and dogs at public auction. He decided to push a proposed ordinance outlawing the sales as a result of investigations made into such sales near Frederick, which in turn were brought to light in connection with the trial in Adams county of a dog dealer on charges of cruelty to animals, which was widely publicized. Clarence M. Phleeger, 81, of near Frederick, former Frederick county school

HIGH SCHOOL PROM FRIDAY

Emmitsburg high school's annual Junior-Senior promenade will be held Friday evening, Principai A. R. Leary announced today.

Committees headed by Jack Gordon, who leads the senior group in teacher and onetime county treasurer, died this week. . . . Frederick county's Red Cross so far has raised \$21,593.69. The county's goal was \$12,000. . . . Mrs. Esther H. Stouter, of Emmitsburg R. 1, has been named administrator of the estate of her late husband, George R. Stouter by the Frederick Orphans court. The widow and six daughters are heirs to the estate which includes realty worth about \$2500. . . . ATTEND PICNIC

Thirty members of the home economics class of Emmitsburg high school took part in a picnic at Big Pipe creek, near Taneytown, Wednesday afternoon.

Effects Of Storm Are Being Removed

The effects of the storm which wrought havoc in Emmitsburg two weeks ago have been nearly obliterated. The roof at the Kellholtz apartments has been replaced and workmen Wednesday were putting finishing touches to the roof of the Zimmerman building. The two structures were the most heavily damaged in the borough.

A number of chimneys blasted by the storm are still to be replaced as are a number of lights and signs that were blown down by the wind.

EXPANSION and improvement of rural telephone service for 1947 are on the way.

Real progress was made during 1946 in spite of shortages of materials and disturbed conditions. We built hundreds of miles of new rural telephone lines. We installed over 6,700 new telephones in rural areas. In many sections, new equipment has made the service finer and more satisfactory than ever.

It will take time to build all the lines and install all the switchboards we need, but each month hundreds of new telephones are being installed for families in rural areas. And we won't be stopped until our objectives have been achieved.

EXPECT FINAL OK ON FINANCING OF SOLDIERS' BONUS

Harrisburg, May 15 (P)—Final approval was anticipated in the House today to a proposed constitutional amendment authorizing a \$500,000,000 bond issue to finance a soldier bonus to Pennsylvania's 1,314,000 veterans of World War II.

Passed unanimously by the Senate yesterday, the bill was returned to the House for concurrence in a minor change.

The legislation requires similar approval at the next regular session of the legislature and favorable action in a statewide referendum before the bonds could be issued, probably some time in 1950.

Revise Penal Code
The Senate Military Affairs committee continued to study a House-approved companion measure which would make bonus payments on the basis of \$15 for each month of overseas duty and \$10 monthly for service in the states, but not exceeding a maximum of \$500.

Meanwhile the House received a bulky revision of the commonwealth's penal code which also passed the Senate yesterday with a provision to prohibit display of a red flag in any public gathering in Pennsylvania.

The code also contains a section which would make persons stealing coal from lands of others liable to double damages. In event of sale, the damages would be tripled.

Anthracite Bill
The Senate also passed a House-approved bill establishing standard sizes for anthracite and fixes penalties for marketing any coal so designated which does not meet the standards. Sponsored by Rep. William J. Stonier (R-Lackawanna), the bill was returned to the House for action on minor amendments.

Legislation authorizing Pittsburgh to set up a parking authority to construct and operate parking lots and municipal garages was in the Senate after passage by a 186-4 vote in the House yesterday.

The measure, part of the so-called "Pittsburgh Package" of bills, was once defeated in the House and then received for an amendment prohibiting the authority from taking over private parking lots.

Ready Bond Issue
The House listed for initial action authorizing issuance of \$50,000,000 in bonds approved by voters at the 1945 general election.

The measure, approved by a House committee yesterday, would establish a public construction fund in the Department of Property and Supplies and sets up the method for selling the bonds.

At the same time, the House Appropriations committee approved a \$45,000,000 grant out of the bond issue to help finance the commonwealth's \$80,000,000 mental hospital construction program.

A second appropriation of \$5,000,000 was approved from the bond issue for continuation of the multi-million dollar desilting program for the Schuylkill river.

Flashes Of Life

GETS THIRD HUBBY

New York, (P)—The twice-widowed "umbrella bird" at the Bronx zoo soon will have another mate, the New York Zoological society has announced.

The word came by telegram from Charles Cordier, a collector for the zoo, who went to Costa Rica last month to search for a new male specimen.

WINNER

Minneapolis, (P)—The winner of the annual cribbage tournament for patients at the Minneapolis Veterans' Administration hospital used a deck of marked cards. But none of the contestants protested.

He was George Klym, 27-year-old blind World War II veteran. The cards he used were marked in Braille.

SALES LADY

Morrisville, Pa. (P)—Guild ladies of Morrisville Presbyterian church were having a rummage sale and church custodian Richard Watkins peeled off his new topcoat to help.

But he couldn't find the coat when the sale was over. One of the ladies sheepishly admitted she had sold it. "Got a good price for it, too," she said.

WELL-TIMED TRIP

Seattle, Wash. (P)—The Rev. B. T. Gabrielson will preach on "My Mother" at Sunday Mother's Day services at the Denny Park Lutheran church.

Then, with a \$2,000 gift contributed by his congregation, he and his wife will leave for Norway to visit the aged mother he has not seen for 17 years.

Hollywood News

By BOB THOMAS

Hollywood (P)—John Garfield is being sought by Darryl Zanuck for a brief but important role in "Gentleman's Agreement." If he accepts, John will share star billings with Gregory Peck and Dorothy McGuire, but will work only two weeks in the picture.

Ingrid Bergman has reportedly not yet signed for her Joan of Arc picture, although arrangements for it are proceeding at a rapid clip. A controversy is raging over whether the film should be made in the play-within-a-play method of the stage version, "Joan of Lorraine," or as a straight spectacle. Ingrid favors the latter.

A horse shortage has hit Hollywood. So many picture companies are making westerns that Eagle-Lion couldn't find enough steeds for "A Texas Legend." Whenever producers don't know what kind of films the public wants, they make westerns.

Literature has been struck another blow by Hollywood. Cornel Wilde has been so busy making pictures that he won't be able to finish his Byron book for fall publication.

Wonder how the New York judiciary will react to "Miracle on 34th Street"? It shows a justice of the State Supreme court getting counsel from a political boss on a judicial decision.

Judy Garland, Gene Kelly and Frank Sinatra will star in "In the Good Old Summertime." It's a story about a couple of guys who play big league baseball in the summer and tour vaudeville in the winter.

Success of "Margie" may touch off a new Hollywood trend to high school stories and of the era of the 20's. First symptom of the former is MGM's charming "Cynthia" with Elizabeth Taylor. And 20th-Fox is planning a "Margie" sequel, "The Flapper Age," with Jeanne Crain and Dan Dailey, Jr. Let's hope this movement (or any!) supercedes the current crime and psycho cycle.

Dick Haymes will probably have to cancel all but two weeks of his summer appearance tour so he can make a picture. He has no unreleased films and may be off the scenes for a year, so he should make a movie, I told him. "But I'm so happy," he complained.

John Payne, Clifton Webb and Jean Peters will star in "Julie," formerly "Dancing in the Dark." The Larry Parkses (Betty Garrett) are off on a Mexican jaunt and the Gene Markes (Myrna Loy) are touring northern California.

Margaret Whiting tells me she has never been engaged to anyone and never will be.

Miss Helen Bowman, New York city, visited recently with Miss Ethel Grace Allison.

Mrs. Oscar Stoner, Blue Ridge Summit, spent Monday with her son-in-law and daughter, Mr. and Mrs. Joseph Bowling.

Mrs. Donald Wortz, who was recently confined to bed by illness, is reported improving.

The senior class of Fairfield high school will leave Monday, May 26, for a three-day bus trip to New York city. Mr. and Mrs. James Lovall will accompany the class.

\$2,000,000 Cut In Funds For Airports

Harrisburg, May 15 (P)—The House appropriations committee approved \$2,500,000 for airport development grants in the next two years, a \$2,000,000 cut in the allocation originally proposed to the State Aeronautics commission for its airfield expansion program.

In addition, the committee channeled receipts from the state gasoline tax on aviation fuel, estimated at \$550,000 a biennium, to the commission's program.

MOST PUPILS TAKE PART IN EXTRA EVENTS

Only 10 of the 105 students in the eighth, ninth, tenth and eleventh grades at Emmitsburg high school have not taken part in some inter-school event, a report by Principal A. L. Leary to the Frederick county school board disclosed today.

All of the ninth graders have participated in some event held between Frederick county schools, five eleventh graders, two tenth graders and three eighth graders are the only ones who have not participated in track, baseball, basketball, volleyball, softball, soccer or similar games or events held between Emmitsburg and other schools.

Coming Events
And by the time the year ends possibly 100 per cent participation will be secured. The school is making every effort to reach that record.

For example 100 students are planning to take part in the Junior-Senior high school track meet for Frederick county schools to be held at Frederick May 27. Sixty-seven of the youngsters will take part in the high school softball competition at Frederick May 20 and 22 others will participate in the all-county high school band concert to be held at Frederick, with a final rehearsal May 20 and the concert on May 22 at 8 p.m.

Graduation June 8
In addition every senior will have taken part in some activity, play, operetta or similar program at the high school by the time school comes to an end June 13, Principal Leary commented.

Praising the spirit of the students, the principal pointed out that not only has nearly everyone taken part in some activities during the year but that it is expected that all students will have paid student dues, permitting attendance at all games, and providing payment for the school newspaper and similar activities by the end of the year.

The school plans to hold its commencement activities June 13, out-of-doors, with the Rev. Nevins Smith, Hanover, as speaker. The baccalaureate sermon will be delivered Sunday, June 8.

TO DETOUR CARS FOR ROAD WORK

Traffic in the Emmitsburg area will be detoured soon with the beginning of surface treatment to roads in the general area.

Five miles of Route 32 from Emmitsburg toward Taneytown are to be closed together with a small section of Route 15 within Emmitsburg. Traffic will be detoured via St. Anthony's over route 76 to route 77, the Thurmont-Detour road, thence to Route 71, which leads to Taneytown.

RACKET RAIDS NET 7 ARRESTS

Pittsburgh, May 15 (P)—Nineteen raids on tips from the office of Artemas C. Leslie, district attorney of Allegheny county, yesterday netted city police seven alleged numbers writers and \$380.66 in confiscated money.

Leslie carried his declared war on racketeers into action by sending a registered letter to Mayor David L. Lawrence and Superintendent of Police Harvey J. Scott, listing places to be raided. In little more than an hour the raids had been carried out.

Although few prisoners were taken, both Leslie and Scott denied that racketeers could have received any "tip-off" on the raids from their offices.

Leslie said he would send similar lists to the heads of other municipalities in the county. He announced a few days ago that any municipal official failing to curb gambling in his territory would be prosecuted.

doesn't intend to be soon, because of her career.

John Ford, who doesn't generally enthrall, tells friends his latest film, "The Fugitive," is his best. His next will be "War Party," a big western.

Heavy bidding is expected for screen rights to Lion Feuchtwanger's new novel, "Proud Envoy," a Literary Guild selection. . . . Wally Beery's film for 1948 will be a western, possibly filmed in Mexico. Whatever happened to that big picture that was announced for Wally? . . . Alexis Smith, who readily accepts roles that other Warner actresses turn down, wants a rest after months of steady work. "I hope nobody refuses any roles but Joyce Reynolds," she told me. "I don't think I could do her parts anyway."

LOYOLA HANDS MOUNT PLAYERS DOUBLE DEFEAT

Loyola college handed Mount St. Mary's a double baseball defeat between showers Wednesday in a Mason-Dixon Conference twin bill at Evergreen.

Loyola won the opener, 7 to 2, behind big Sid Roche's two-hit pitching, and rallied to grab the nightcap, 6-3, the contest being washed out at the end of five and one third innings by a heavy thunder storm.

The two victories enabled Loyola to move into a challenging position in the conference race with ten league triumphs against three losses. Washington college clung to first place with a 7-2 log for a .778 percentage against an even .700 for the Greyhounds.

Green Chased in Third
Roche was in complete charge of the seven-inning opener. He fanned 14, walked five, and but for Shortstop Jim Carmody's two errors in the sixth which gave the visitors their only runs, might have had a shutout.

Lefty Bill Carroll started on the hill for Loyola in the second game, but wildness forced him to leave the premises in favor of 6-foot-3 Neil Cole, in the second inning Mount St. Mary's used three singles, two walks and a hit batsman to fashion their three runs.

However, it didn't stand up long, for Loyola chased Bill Green with a four-run rally in the third, and added two more in the fifth before the rains came.

Loyola Starts Fast
With Roche pouring his high, hard one past the visiting batsmen, Loyola went to work early to sew up the opening contest. Bucky Ward opened with a single and Ed McGarry outfooted an intended sacrifice. Both runners advanced on Simms' sacrifice, and Ward scored on a passed ball while McGarry registered on Tommy Lind's left to center.

In the fifth, Loyola tallied five runs, aided by a three-run error by Mount St. Mary's right fielder, Bud Morrow. With two runs in, two out and the bases loaded, Morrow lost John Boone's fly in the sun, and caught the ball with his mouth, permitting three runs to score and forcing himself to leave under a doctor's care.

Mounts Reach Carroll
Hitting but three balls out of the infield off Roche in the opener, Mount St. Mary's fared better against young Carroll in the second game. Singles by Bob Kripatis and Bill Wunder, wrapped around Bill Hanlon's double, two walks and a hit batsman accounted for three runs, before Cole put out the fire.

Loyola got Green out of there in the fourth on successive safeties by McGarry, Jack Whalen and Lind, an error and a hit batsman. Another Mount muffed, a walk and hits by Lind and Boone added two more runs to the Loyola account in the fifth.

OFFICERS ARE SELECTED BY TOWN FIREMEN

Charles Troxell was elected president of the Vigilant fire company of Emmitsburg Tuesday evening at the regular meeting of the company at the Firemen's hall.

J. W. Rowe was named vice president. R. S. Sperry was named as assistant secretary to assist Norman Hoke, who has held the post of secretary for many years. Mr. Hoke was renominated secretary by acclamation. J. Elmer Zimmerman was elected treasurer.

Herbert Roger was renamed fire chief with John D. Hollinger as assistant chief.

Other Officers

Other officers named at the meeting include: Second lieutenant, Oldrich Tokar; assistant second lieutenant, Greta Keilholtz; chief nozzlemaster, Lloyd S. Fietz; assistant chief nozzlemaster, Irvin Tokar; hose director, Clifford Keilholtz; assistant hose directors, John H. Hollinger, Eugene Newcomer, Jack Gordon and Francis Adelsberger.

The board of trustees for the company was named as Charles P. Troxell, president; George S. Eyster, C. A. Harner, C. G. Frailey and R. S. Sperry.

Norman Hoke was presented with a pocketbook engraved with his name and the dates, 1877 and 1947, for the number of years he has served the company. The 50th anniversary of his election as a fireman was celebrated on Mr. Hoke's birthday.

Add Bleachers At Baseball Diamond

Bleachers at the Emmitsburg baseball diamond have been extended to the dugouts for the local and visiting teams, increasing the seating capacity by 250, team officials announced today. Seating capacity at the ball park now is 600.

A 14-foot wire fence was placed in front of the bleachers to protect the audience from fouls.

Pick Convention Delegates
Major improvements were reported to the engine house. The engine room has been repainted and floor repaired and the kitchen is being repaired, according to the reports.

A motion was presented offering the use of the fire engine house to the borough officials as a "town hall" and a letter to that effect will be presented to the burgess.

The fire company also voted to ask the water company for permission to maintain the fire plugs. At present the plugs are under the care of the water company.

Delegates were appointed to attend the Maryland State Firemen's convention at Frostburg, Md., June 18, 19 and 20.

Of the 21 amino acids which have been identified as components of proteins, only about half have any real nutritive value.

Norman Hoke was presented with a pocketbook engraved with his name and the dates, 1877 and 1947, for the number of years he has served the company. The 50th anniversary of his election as a fireman was celebrated on Mr. Hoke's birthday.

EUROPE'S CRISIS HAS ITS ROOTS INSIDE GERMANY

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

Some alleviation of Germany's grave crisis—which is affecting all Europe—may be foreshadowed in the statement by authoritative sources in Berlin that American and British occupation officials have agreed on all major points, barring one which is unnamed, for the economic merging of the two zones.

Such a merger, cannot, of course, overcome the damage done by the failure of the Big Four to frame a German peace treaty in the recent Moscow conference. Every day which passes without economic unity of the four Allied zones of the Reich adds to the dangers hanging over a continent whose rehabilitation depends heavily on Germany's recovery.

Actual Hunger
The situation has become so bad that there is widespread malnutrition and in many areas actual hunger. An (AP) dispatch from Solingen, Germany, a couple of days ago stated that human figures as emaciated as those of Buchenwald inmates lie abed in the municipal hospital there—and in the hospitals of other Ruhr cities.

The head of the food and agricultural divisions of the American Military Government blamed "incompetent" German officials for the food crisis in the British and American zones, but he said that the bread outlook would improve by the end of May. However, the consensus of the experts is that there can be no sweeping general economic improvement until there is economic coordination of the Russian, French, British and American zones, and along with that the establishment of German government.

However, guilty Germany is far from being the only country which is in the midst of a fierce economic crisis, coupled with the inevitable food shortage. Italy, France, England and many other European nations are having a hard struggle.

Production Essential
But what many folk, even in Europe, don't realize is that many of their ills have their roots in the German collapse. They haven't yet grasped the basic fact that the Reich was the politico-economic heart of continental Europe, and that the body as a whole cannot recover until the heart is restored to health.

As for this general position, the U. S. State Department the other day published a statement made by Herbert Hoover to the supreme council of the Allied and associated powers just after the end of the first world war. It was an analysis which might have been made for the present occasion. Hoover—then relief director—declared that the Western Hemisphere couldn't meet Europe's economic needs indefinitely.

"The populations of Europe," he said, "must be brought to a realization that productivity must be instantly increased. x x x No economic policy will bring food to those stomachs or fuel to those hearths that does not secure the maximum production."

East Berlin

East Berlin.—Mr. and Mrs. Earl Sellers, Spring Grove, are planning to move here shortly when they will reside in the former Zartman property which they have purchased. The house was tenanted by the Harry Thoman family until last week when they moved to West King street.

Mr. and Mrs. Melvin Ranker and sons, Jimmy, Johnny and Bobby, are preparing to move within a few weeks to the former Hershey farm in the Pigeon Hills which they have purchased. The Rankers are now making repairs to their new house. They have been living in the Mervin D. Jacobs property, West King street.

David S. Kime, who is having a market building erected at the rear of his Abbotstown street home, expects to have the building include two apartments which he plans to rent.

Archie Bushey, a student at the local high school, has been recovering from a severe laceration near

his eye. The youth was injured on the high school campus where he was accidentally struck by a baseball bat.

Mrs. Mae Sedlack, R. 2, whose husband, William, died in February after a long illness, has returned here after a stay with Mr. Sedlack's relatives at Bay Shore, Long Island. Mrs. Sedlack's mother, Mrs. Hammond, Philadelphia, is spending an indefinite time with her.

Mrs. G. W. Harlacher, wife of the elder of the Bermudian Church of the Brethren, and president of the Woman's Work Organization of that church, was tendered a surprise birthday recently by that organization at the home of Mrs. Michael Burgard, R. 3. Several large birthday cakes formed a feature of the supper party. Mrs. Harlacher was presented a sweater as a present from her church group.

Kandy, 8-months-old daughter of Mr. and Mrs. Emory W. Sell, Jr., is recovering from a serious illness that threatened pneumonia.

The Women's Missionary society of the Bermudian Church of the Brethren conducted its regular

meeting Sunday evening at the church.

Mr. and Mrs. Archie McClellan Pentz, near Brown's dam, recently entertained these guests at their home: Mr. and Mrs. Crist Pentz, Carl Pentz, Mr. and Mrs. Lewis Buckingham, Jr. and son, Lewis, 3rd, Mrs. Richard Pentz and son, Ronald, Mrs. Mary Jane McCall, Miss Reba Hoke, James Siple, Verlyn Gross, David Baker, Mr. and Mrs. Samuel Hinkle, Mrs. Bertha Maurer, Mr. and Mrs. P. Stewart Lecrone, and Mr. and Mrs. Maurice Pentz, all of the York area; and Mr. and Mrs. John Zarfes, Mrs. Austin N. Miller, Harrisburg, and Mr. and Mrs. Jack Kantz, Youngstown, O.

Mr. and Mrs. Ralph Eisenhart, who have been residing at the George Moul farm property south of town, plan to move to the former Artie Gulden farm, Hamilton township, which they have purchased.

Reports from the eastern edge of this territory state that quite a quantity of snow fell for a short time between Wednesday night and early Thursday morning of the past week.

Work is progressing on the erection of a new shop and apartment building on the lot, adjoining the Smith and Eisenhart plumbing shop, recently purchased by the partners who expect to transfer their materials to the new shop. The apartment will be occupied by James R. Eisenhart and his bride, formerly Miss Louise Sweltzer, Wellsville, who have been residing with his mother, Mrs. John Eisenhart.

Work has been begun on the erection of the new home of Mr. and Mrs. Eugene Elgin, Jr., on their recently purchased lot at the east end of town.

DAYLIGHT TIME CALLED MENACE TO CHILD HEALTH

Philadelphia, May 15 (AP)—Daylight saving time is a menace to the health of school children, says Dr. John P. Turner, a member of the board of education.

Students are getting only six or seven hours' sleep and great numbers are suffering from nervous reaction because of fast time, Dr. Turner said in asking a survey be made directly through the schools by Dr. Alexander J. Stoddard, superintendent.

"Instead of getting up at seven o'clock, our children are getting up at six after staying up late because you just can't make a child go to bed when the sun is still up," Dr. Turner told a board meeting.

Called "Serious" He added he had personal knowledge students are not getting sufficient sleep because he has visited hundreds of homes as a physician and has treated the children for both physical and nervous reactions caused by lack of sleep.

A survey would determine the extent of the harm done by a lost hour of sleep daily, he suggested.

Joseph J. Greenberg, another member of the board, asked Dr. Turner if he thought the situation were serious enough to ask the return of standard time and the physician replied: "I certainly do."

Strain On Mothers Too "This added hour of daylight gives me more time for golf or other outdoor activity, but I don't want it at the expense of children's health, and I know that it has had a detrimental effect on my own two grandchildren."

Dr. Turner proposed inauguration of daylight saving time after schools close for the summer or starting of classes one hour later after daylight saving time begins.

"Little ones should have nine hours' sleep, and older children should have at least eight," he said.

Bonneauville

Bonneauville—Mrs. Anne Groft returned Friday to New York after spending three weeks with her mother, Mrs. Mary Groft.

Mrs. Thomas Gebhart spent the week-end in Emmitsburg with Mr. and Mrs. Allen Gelwicks.

Miss Marie Fleagle, of York, visited her aunt, Miss Alverta Smith, on Sunday.

A. J. Golden, of Baltimore, visited his sisters, the Misses Mary Theresa and Anna Golden, over the weekend.

Miss Anna Topper, of Mercy hospital, Baltimore, spent the week-end with her parents, Mr. and Mrs. Ross Topper.

LIQUOR CODE VOTE MONDAY

Harrisburg, May 15 (AP)—The House set Monday for a final vote on a proposed codification of the liquor code highlighted by a provision exempting clubs from the state's quota law for 18 months after September 1.

Rep. Ellwood J. Turner (R-Delaware), who co-sponsored the codification bill with Rep. Harry P. O'Neill (D-Lackawanna), told a reporter he wants "a full turnout" before permitting a vote.

A three-pronged debate developed yesterday on the proposal to exempt clubs from the quota law which limits

"Now, I find, they are getting only six or seven. It is also a strain on the mothers, and many have come to me, as a physician and as a member of the board of education, to see what can be done."

Propose Pa. Public School Authority

Harrisburg, May 15 (AP)—Establishment of a state public school authority to assist local school districts to finance new school construction was proposed in a bill started toward a Senate vote today.

The measure, sponsored by Sen. A. H. Letzler (R-Clearfield), would allow the authority to issue bonds and retire them by rentals of new school buildings with leases limited to a 30-year period.

Also reported for floor action by the Senate education committee was a bill to permit teaching of safe driving in elementary and secondary schools with classroom instruction for pupils under 16 and actual driving if older.

In the House, the state government committee reported for floor action legislation backed by the Pennsylvania American Legion to establish emergency veterans housing authorities with authority to build temporary housing and take other steps to alleviate local home shortages.

Meanwhile, Gov. James H. Duff received a legislature-approved bill which would permit bartenders to ask for voting registration cards as a proof of age of young patrons. The House finally passed the bill yesterday, 186-16. The measure also provides in the absence of a voting registration card for a written statement of age by a patron.

★ The best advice is often more than we can bear. It takes courage to face the impact of truth, and firm resolution to form new habits to fit the facts.

Your doctor is sometimes confronted with the stern necessity of advising restrictions in your usual routine. Your favorite dessert or that comforting cigar may be denied you. There is a strong temptation to treat such advice lightly, to feel you know your needs better than your doctor.

FATHER DENIES HE BURNED HOME

Carlisle, Pa., May 15 (AP)—Taking the stand in his own defense, Sylvester B. Wilson, on trial on murder and arson charges in the fatal burning of his three small children, said "I did not set my home on fire."

Wilson described the tragic 1945 Christmas Day fire at his log cabin home at nearby Huntsdale when he was called yesterday as the first witness for the defense.

He testified that his wife was at the home of a neighbor and he was working on his car near the cabin when the fire occurred. He told the jury he heard a thud and then saw black smoke billowing from the windows.

He said he grabbed a bucket and ran to the well pump, filled it with water and tried to enter the kitchen of the three-room house, but "the smoke and fire forced me back."

NAB SUSPECT IN CHILD'S SLAYING; VICTIM IS BURIED

New York, May 15 (AP)—A man who claimed he had not been outside of New York city for eight months was held today in the slaying last Saturday of five-year-old Carol Ann Thompson, whose battered body was found in a well on an estate in Worcester township, Pennsylvania.

Detective Jack Rosenfeld said he arrested Arnold Alexander (Lucky) Turner, 25, late yesterday in a first floor tenement apartment on a warrant of information and belief issued at Norristown, Pa. He was booked on fugitive and homicide charges.

Rosenfeld said that Turner had escaped from a mental institution in Norristown while serving a sentence for a sex crime.

Unemployed Veteran

When arrested, Turner was minding an 11-months-old baby, which he said was his, Rosenfeld reported. The detective said Turner denied the Pennsylvania slaying and said he had been living at the New York apartment for eight months with a common-law wife who, he said, gave birth to a baby boy three days ago in Bellevue hospital.

Rosenfeld said he was a counterman when employed, but had been out of work for some time and was drawing \$20 weekly unemployment compensation as a former soldier.

Victim Buried

The Pennsylvania warrant alleged that Turner picked up blonde Carol Ann in his automobile last Saturday, near her home in Upper Cwynedd Township, Pa., and took her to a woods where he killed her with a blunt instrument and threw her body in a well.

Tattered clothing and other evidence gathered on the estate of Dr. F. George McGinnis, scene of the attack, was turned over yesterday to the Federal Bureau of Investigation crime laboratories in Washington by Charles Eiler, Montgomery county detective.

Hollywood News

By BOB THOMAS

Hollywood, (AP)—Jean Arthur is in a dither about her educational career, which she considers more important than her screen work.

She wants people to know that her recent stay at Stephens college was not a publicity stunt. I can assure you it was not, since Jean ranks a notch below Greta Garbo in being publicity-shy. She gave me one of her infrequent conversations with the press so she could clear up a few matters.

"The reason I left school without taking examinations was that I was only taking a six-week survey course," she said. "And I didn't want to be around with graduation coming up, because that belongs to the girls."

The actress emphasized that she intends to continue her educational career.

"Good heavens, yes. I only finished three years of high school before I went to work. I always thought that I would work a few years and then go back to school and study to be a teacher. But I never had a chance

until now. I might become a school teacher yet."

(Observation: What school boy wouldn't love to be taught geometry by her throaty voice? A boon to education.)

Jean had the time of her life at Stephens. She started with the humanities and branched out to psychology, marital problems and biology, which she particularly liked. "I even learned to float and swim the crawl," she said, "and that's something I thought I'd never do."

The actress lived with 23 other girls at the house of the college president, where everyone borrowed each other's hats and treated her "just like one of the girls." In fact, one day when Jean was sporting dark glasses, a fellow student cracked, "who do you think you are—a movie star?"

Jean intends to go back to Stephens or some other college as soon as she finishes a picture and she hopes her example will encourage other women her age. That's why she wanted her educational intentions known to the public.

"I think it is a wonderful thing for a woman who has had a career and a family to go back to her education."

There's no reason in the world to believe that after a woman reaches a certain age, her brain should become atrophied."

(Note: Webster's defines "atrophied" as wasting away from want of nourishment. I'm sure Jean didn't pick up the word in Hollywood.)
